Power bank with phone holder SEGURO 10 000 mAh

Code: **45124**

"The SEGURO power bank is a unique combination of a phone stand with a portable battery. Thanks to this, you can conveniently use the phone while cooking or working, charging it at the same time. On the underside of the device there are USB A / micro USB / USB C and Lightning (Apple) cables for charging both the external device and the power bank itself. The same role is played by 2 inputs on the sides of the USB A and microUSB device. The arm is adjustable in 3 planes, which in combination with the non-slip surface and rubber feet, ensures comfortable and stable use. The product complies with the relevant EU directives, has a CE mark and a 1-year warranty. "
